

Dide Uzun

Bachelor Of Business Administration - BBA

I am skilled at using educational knowledge and determination to achieve my goals. Ready to develop new skills and grow knowledge by gaining practical experience. I am a quick learner familiar with Microsoft Office and Web Development Programs (HTML, CSS, javascript). I am an Energetic Volunteer offering outstanding work etiquette, social media, and interpersonal skills. I am a well-trained individual with experience working with children. Punctual and dedicated to service. After I graduate I want to start my life in The Netherlands and I am trying to improve myself every day to achieve my aim in life.

Work History

**2020-10 -
Current**

Team Member

AIESEC, Izmir

At Q4, I was at iGTa team. In this quarter I am working as oGV team member.

**2017-06 -
2017-07**

IT Audit Specialist

Kronos Bilişim, Samsun

Most of my job was implementing different procedures, programs, and assignments and translating between referees and engineers in Deaflympics 2017- Samsun and it was all about communication skills. I had the opportunity to contact with people all around the world. All my job was to provide communication with different people. I learned international sign language from sportsmen/women. Working with varied people improved me. This job Was also made me gain teamwork skills.

**2014-11 -
2015-06**

Actress

Samsun Theater , Samsun

In theater, it is important to have a good relationship with other actors/actresses and without good communication skills, it is hard to impress the audience.
